Login in to the resident portal

- Sign in to the Resident Portal using your registered email address and password.
- Note: If you have not registered, you will need to click 'Register Now' to register your email address.

Students **MUST** complete the registration. Parental Guarantors do not have access to the account until the student completes the registration. Once the student has access to the account, the student approves the guarantor's email addresses to have access to the account. (Registration instructions on the next two pages. There is also a video tutorial on the login page.)

Please make sure that the spelling and punctuations are correct. The most common reason there is trouble accessing the portal is due to using an incorrect email address or a misspelled email address.

The screenshot shows the 'RESIDENT PORTAL' header with the 'CAPSTONE MANAGEMENT' logo. Below the header, it says 'Paca & Tubman Houses' and 'Towson University Residential Community'. The main content area includes a welcome message: 'Welcome to the Resident Portal. If this is your first time using the portal, click 'Register Now' in the box to the right. After submitting your registration you will receive an e-mail with a temporary password. If you do not receive the e-mail, please check your spam/junk mail folder. You will be asked to change that password after logging into the portal for the first time. Thank You!'. To the right of the text is a 'Sign in' form with fields for 'Email Address' and 'Password', a 'Forgot your password?' link, and a 'Sign In' button. Below the form is a 'Haven't registered yet? Register Now' link and a 'Contact Us' link. At the bottom left, there is a video player titled 'Resident/Member Portal' with a video thumbnail showing 'How to Register and Use the Resident Portal'.
